OfficeDok 10-in-1

10-in-1 USB Hub Adapter

Key Selling Points

- **Versatile 10-in-1 Expansion:** The robust hub adapter is armed with 2 HDMI ports, 2 USB-A ports, 3 USB-C ports, 2 TF/SD slots, and 1 Ethernet port. The versatile 10-in-1 hub adapter can satisfy your various expansion needs in the office, bringing much convenience and great efficiency at work.

- **10Gbps Data Transfer:** Equipped with 2 USB-C and 2 USB-A ports, it's so powerful as to offer fast data transfer rates of up to 10Gbps for multiple devices simultaneously, which ensures your photos, videos, and files are transferred at incredible speeds. This is perfect for users who need to transfer large amount of data quickly and efficiently.

- **4K@60Hz Video:** Made for high-speed and stable signal transmission, this hub ensures your 4K content runs at smooth 60Hz, providing an immersive viewing experience.

- **100W Power Delivery:** It is capable of providing fast charging of 100W high power output for your phones, tablets, laptops and other devices.

- **Convenient Shutdown Button:** The hub comes with a shutdown button to turn off your mirrored/extended screen immediately to protect your personal privacy when having a meeting.

- **Aluminum Casing:** The hub adapter is cased by aluminum material, making its body exceptionally resistant to breakage or damages, delivering great durability with a longer lifespan.
